4. **Proposed 2019-2020 Calendar – Lani Harr:**
 - a. Champions of Math moving to Wednesdays. Kids are too tired after a full day of school.
 - b. Decision to move Fun Run to earlier in October to separate it from Halloween.
 - c. Science Fair: Moved to later in April. Participation was lower this year; this could be attributable to timing it right before the break last year. Consider promoting it to the students during the Wednesday Wave and in the classroom by bringing examples of past projects.
 - d. Auction Date: Pushed to the end of April based on feedback indicating it was too early this year. Concerns were raised that this would be too close to end-of-year activities. Decision to identify a venue before settling on a date.
5. **Proposed 2019-2020 Budget- Sherry Lee:**
 - a. Fun Walk: This is a community building event and not a fundraiser. Messaging should clearly state we are not asking parents for money.
6. **Last H&SC Meeting:** May 3 at 8:30am. Voting on budget and next year's board.
7. **Laser Tag Sign-up Party:** Still has open spots.

Adjournment at 11:08am.
