PRINCIPAL'S MESSAGE

Dear Daves Ave. Community,

We are looking forward to seeing you all at **Open House tomorrow**, Thursday, May 17th at **6:00 PM if you have a Kindergartener, or at 6:30 PM for all other grades**. The students and teachers have been working very hard and are very excited to show off their work! Please make note, it is a Minimum Day as well.

It was a joy to see our community having fun at the carnival on Friday! I would like to thank Lee Ann Wade, Ali Olivo, Karie Bobzin and all the volunteers that put in countless hours to ensure the carnival was a phenomenal event!

Warmly,

Iqbal Chadda

Principal, Daves Avenue Elementary

SARATOGA SPRINGS

It's time to celebrate!

Students will be driven to and from school by parent volunteers (keep a look out for a separate email from your 5th grade teacher regarding parent drivers).

AUCTION CHAIR

Our annual spring fundraiser for adults only. Starting in late fall with a kick-off meeting, it will really ramp up right after the holiday break. With a solid team of volunteers (and this one usually isn't hard to recruit for), you can make this fundraiser a huge success! This involves all aspects of a big event - marketing, auction solicitation and management, volunteer recruitment, venue procurement, food selection, decorating...Lots of time involved on this one - but a very fun event to plan!

CARNIVAL CHAIR

The end of the year just wouldn't be the same without Carnival! Phone calls at the beginning of the year, and then things ramp up toward the end of the school year. You'll line up the volunteers, games, food, and logistics. Don't forget the Talent Show! It's pretty straight forward and a lot of fun - and a committee makes it easier!

PROJECT CORNERSTONE CO-CHAIR

Project Cornerstone is committed to helping all children and teens in Silicon Valley feel valued, respected and known. Our programs and services help individuals and communities build a web of support around young people so that they grow into healthy, caring and responsible adults. As a coordinator, you will get training, then implement and continue the asset building program at our school. There are also opportunities to be ABC readers - volunteers that work in the classroom with the kids.

Thank you!

Bollywood Party!

This will be an event to remember! Join us for Henna, Indian food to tickle your taste buds, drinks, gifts and more! Be prepared to dance the night away to the Bollywood beat with a live DJ. All proceeds go to Daves Avenue H&SC. So come and join the Bollywood beat!

Learning has a curve, the path to pursue your dream has ups and downs, and the magic power to guide you along, is perseverance! This month, we will lead the kids to really understand its power. We'll start by asking them "What things are easy for you?" After they get all excited, ask "Were they ever hard?" Let them recall, think and share why they have become easier now. Going through this process using their own experience helps understand the importance of trying and persevering. In the future, when they learn something new, or encounter difficulties, remind them the lesson that they shared, and tell them "you know the magic"!

Perseverance is a combination of assertiveness, courage, patience, determination and persistence. Children with a can-do attitude learn that with perseverance they can accomplish and learn new things. Belief in the ability to change and grow is called a growth mindset. A growth mindset allows a person to view challenges as something new to learn. Having persistence will enable a young person to apply skills they have to new and difficult experiences. It also focuses on giving new things a try, enjoying the experience of trying and dealing with mastery over harder things to do.

The Sesame Street song "Don't Give Up" by Bruno Mars is a nice song about persevering. The MV is fun to watch, with Telly and Grover showing examples of trying and trying again. There are also many books on perseverance, e.g., "The Little Engine that Could" (for younger kids), "Sebastian's Roller Skates", "Salt in His Shoes", to name a few. For more information about Kindergarten Project Cornerstone, contact **Dr. Lan Jiang**.
